Aggravated Assault with Firearm Investigation – Arrest Warrant Issued - **ARRESTED**

On December 10, 2025, at approximately 5:04 p.m., Shreveport Police Department Uniformed Patrol officers were dispatched to the 7900 block of Aaron Place in reference to an assault and battery complaint.

The victim reported that while working at a job site, his coworker, identified as Christian Dias, initiated a verbal altercation and struck him on the shoulder. The victim further stated that Dias then retrieved a handgun—believed to be a Glock—from a backpack located inside a company vehicle. Dias allegedly racked the firearm, pointed it at the victim's head, and threatened to kill him before fleeing the scene on foot.

A witness at the scene corroborated the victim's account, confirming that Dias initiated the argument, struck the victim, armed himself with a handgun, pointed it at the victim, and made threats to kill him. The witness also stated that when the suspect produced and charged the firearm, school-aged children who were leaving a nearby school began to flee out of fear.

The victim positively identified Christian Dias as the suspect involved in this incident.

As a result of the investigation, detectives with the Shreveport Police Department Violent Crimes Unit have obtained an arrest warrant for Christian Dias on the following charges:

Aggravated Assault with a Firearm

Simple Battery

Possession of a Firearm in a Firearm-Free Zone

This investigation remains ongoing. Anyone with additional information regarding the whereabouts of Christian Dias is urged to contact the Shreveport Police Department or Caddo Crime Stoppers at 318-673-7373. Callers may remain anonymous.

The Shreveport Police Department remains committed to protecting our community, especially in areas where children and families are present.
