Shreveport Police Arrest Man Following Shots Fired Call on West 58th Street

Jesus Aguilar

On December 14, officers with the Shreveport Police Department responded to a shot fired call in the 1400 block of West 58th Street.

Upon arrival, officers located Jesus Aguilar on the front porch of the residence. Aguilar became argumentative and combative with officers and was subsequently detained.

During the investigation, Aguilar admitted that he had accidentally discharged a rifle inside the residence. Officers entered the home to secure the firearm and observed a bullet hole in the floorboard. While retrieving the rifle, officers also located approximately 17 grams of suspected crack cocaine in close proximity to the weapon.

Aguilar was arrested and charged with possession of narcotics and illegal use of a weapon.

The Shreveport Police Department continues to respond aggressively to gunfire complaints and remains committed to removing illegal drugs and firearms from our community to ensure public safety.
