FOR IMMEDIATE RELEASE   **12/31/25**

Shreveport Police Seek Public's Help Identifying Theft Suspect

The [Shreveport Police Department](#) Property Crimes Unit is asking for the public's assistance in identifying a suspect involved in a theft investigation.

On November 10, 2025, a theft occurred at [Forsythe Tractor](#), during which a stolen credit card was used. Detectives are actively working the case and are seeking to identify the Black male suspect captured in surveillance imagery.

While the suspect may have thought this was a quick shopping trip, investigators would like to remind everyone that using someone else's credit card is not a loyalty program—and it always ends the same way.

The Shreveport Police Department encourages anyone who recognizes the individual or has information related to this case to come forward.

If you have information, please contact:

- Shreveport Police Department at 318-673-7300
- Caddo Crime Stoppers at 318-673-7373

    Tips may be provided anonymously.

Let's help detectives start the new year by putting the right person where he belongs—in front of a judge, not a checkout counter.
