### **Shreveport Fire Extinguishes House Fire in Queensborough Neighborhood**

*SHREVEPORT, LA* — On Sunday, January 11, 2026, Shreveport Fire crews were dispatched at approximately 2:31 PM to the 3900 block of Milton Street for a possible house fire. Upon arrival in approximately three (3) minutes, the first crews on scene reported heavy smoke and flames coming from the front of the one-story, brick structure home.

With nine (9) fire and support units operated by 27 fire personnel, the fire crews were able to initiate a complex coordinated attack. All occupants of the structure were able to exit the structure prior to fire crews' arrival. There were no reported working smoke alarms inside the residence.

It took Shreveport Fire crews approximately ten (10) minutes to bring this situation under control and contain the fire in the kitchen area of the structure. Fortunately, there were no injuries reported by civilians or firefighters. Occupants were given resources for disaster assistance if needed.

The cause of the fire is currently under investigation by the Shreveport Fire Investigation division. ###
