IMPORTANT NOTICE: 2025 PROPERTY TAX DEADLINE APPROACHING

The deadline to pay 2025 property taxes without penalty has been extended by Mayor Arceneaux to January 16, 2026. Payments received after January 16 will be subject to penalties.

The final date to pay 2025 property taxes is May 22, 2026 before additional tax lien costs will apply. Interest and fees will be assessed based on the rates listed on the back of your tax statement. Taxpayers are encouraged to review their statements for details regarding payment deadlines and upcoming City Tax Lien Auctions dates.

Due to the time-sensitive nature of this deadline, no tax payments will be accepted in the drop box on Friday, January 16. To ensure timely processing, payments should be made online or in person.

For questions regarding your tax balance, please contact the Revenue Department Customer Service at 318-673-5500.
