## Shreveport Police Continue Proactive Enforcement, Take Guns Off the Street

**Labarron Johnson**

The Shreveport Police Department continues its proactive enforcement efforts aimed at reducing violent crime and removing illegal firearms from the community.

On January 15, just after 7:00 p.m., Shreveport Police officers conducted a traffic stop after observing a driver operating a vehicle carelessly. The driver was identified as Labarron Johnson.

During the course of the stop, officers conducted a follow-up investigation which revealed Johnson to be in possession of a significant number of narcotics and a firearm. As a result, Johnson was taken into custody.

Johnson now faces the following charges:

- Possession with Intent to Distribute a Controlled Dangerous Substance
- Illegal Carrying of a Weapon with a Controlled Dangerous Substance (commonly referred to as a “trigger lock” charge)

The Shreveport Police Department remains committed to proactive policing strategies that focus on identifying criminal activity before it escalates into violence.

If you choose to drive through our city with illegal narcotics and firearms, be advised—you may be next.

Anyone with information related to criminal activity is encouraged to contact the Shreveport Police Department or Caddo Crime Stoppers.
