City of Shreveport Offices Reopen; Garbage Collection to Resume Thursday

All City of Shreveport offices will be open for normal business operations tomorrow, following the recent winter weather event.

In addition, residential garbage collection will resume on Thursday, January 29, 2026.

- Thursday 1/29: Thursday's garbage will be collected
- Friday 1/30: Friday's garbage will be collected

We will resume regularly scheduled pickups on Monday, February 2nd.

City officials thank residents for their patience and cooperation during the weather-related disruptions and remind the public to continue using caution while traveling as conditions continue to improve.

For updates and additional information, residents can visit the City of Shreveport's official website and social media channels.
