## House Fire on 75<sup>th</sup> Street

**Shreveport, LA-** On Tuesday February 17, 2026 at 8:31 a.m. the Shreveport Fire Department received calls for a report of a house fire in the 600 block of W 75<sup>th</sup> Street. Engine 9 arrived on scene at 8:34 a.m and reported heavy smoke and flames from the single-story residential structure.

SFD fire crews were able to contain the blaze, placing the incident under control at 8:45 a.m. Multiple pets in the home perished. There were no utilities to the home at the time. Investigators advise that the fire was likely caused by an unattended open flame in the residence.

The Shreveport Fire Department would like to remind citizens that at no time should open flame sources, such as candles, be left unattended.
