## Shreveport Police Seeking Assistance Identifying Theft Suspects

On February 22, 2026, at approximately 11:30 a.m., officers with the Shreveport Police Department responded to a reported theft at the Circle K located in the 1300 block of Kings Highway.

Upon arrival, the store manager advised officers that surveillance footage showed an unknown older Black male entering a stockroom area near the restrooms without consent. The suspect was observed removing a large quantity of discontinued cigarette cartons, concealing them inside his jacket, and exiting the store without paying.

During the investigation, Shreveport Police detectives retrieved and reviewed surveillance video from the incident. The footage shows a second individual, wearing brown clothing, who appears to have assisted in the theft. Both subjects were observed leaving the area on foot together.

The manager reported that approximately \$1,300 worth of cigarette products were stolen from the store's stockroom.

The Shreveport Police Department is requesting the public's assistance in identifying these individuals. Anyone with information is urged to contact the Shreveport Police Department at 318-673-7300 or submit anonymous tips to Caddo Crime Stoppers at 318-673-7373.
