## PRESS RELEASE

---

October 3, 2014

### Mayor Glover to provide update on Harrelson Landfill

Mayor Cedric Glover is holding a public meeting Monday (Oct. 6) to provide an update on recent activity at the commercial landfill the state of Louisiana has ordered to close.

The meeting will be held at 6 p.m. at the MLK Neighborhood Association building at 1341 Russell Road. A representative from the state Fire Marshal's office will attend and Peggy Hatch, Secretary of Louisiana Department of Environmental Quality, also has been invited.

Shreveport firefighters have recently been called to the landfill to extinguish multiple above-ground fires. Those fires are in addition to the underground fires that have been burning at the site for years, causing nearby residents to complain about the smoke and stench.

MLK neighborhood leaders and Glover have lobbied state officials for several years to permanently close the landfill. Mayor Glover will share the progress that's been made toward that goal.
