PRESS RELEASE

April 15, 2015

City opens doors for public comments on bridge assessment

The City of Shreveport is now receiving public input on an assessment of the Red River Bridge at Jimmie Davis Highway.

The City received a Draft Environmental Assessment of the bridge and opened the public process this week to allow citizens time for inspection, review and comments. Those willing to review the assessment should visit the City Engineers' Office at 505 Travis Street in Shreveport.

A public hearing will be held at 5 p.m. May 14 at the Barksdale Baptist Church, 1714 Jimmie Davis Highway in Bossier City. The public comment period will extend to May 25.

For more information, please contact Robert Westerman at (318) 673-6000.
