## **Cross Lake – Opens**

Authorities with the Shreveport Police Department's Cross Lake patrol have confirmed the re-opening of all public boat launches and fishing piers on Cross Lake. Boat and other watercraft are now allowed to access the lake without additional restrictions.

Authorities advise the opening may be temporary and the lake could re-close if a significant amount of rainfall should arrive, raising lake levels.

As always, please enjoy the water responsibly and ensure proper safety equipment and life jackets are available for all persons aboard vessels.
