PRESS RELEASE

July 7, 2015

Virginia Shehee remembered by Mayor Tyler

The legacy of Virginia Shehee will remain in the heart of the city that she served so well.

“The City of Shreveport has lost a servant leader with the death of Mrs. Shehee. She was a true friend and supporter who not only touched my life, but the lives of so many in this city and state,” said Mayor Ollie Tyler. “She had a strong vision of what Shreveport could become and she was not afraid to get knee-deep in the trenches to make this city a better place for everyone. I will miss her generous heart and ability to connect people from all walks of life. My prayers are with her family and all those who were touched by her life.”
