PRESS RELEASE

July 17, 2015

Cross Bayou draft to be presented at meeting Monday

The City of Shreveport will host a meeting Monday to layout the draft of the Cross Bayou Corridor conceptual land use plan and environmental survey.

The Project Team, which has spent nearly two years on this effort, will present the draft that determines the probable environmental issues on the project site. This plan is centered primarily on the scrap yard operation and parts of the corridor likely sensitive to contamination. The work was funded by an EPA grant.

WHAT: Meeting to review draft of conceptual land use on Cross Bayou

WHEN: Monday, July 20
3:30 – 5 p.m.

WHERE: Eaves Room
Shreve Memorial Library (Downtown)
424 Texas St.
