Sportran to extend bus route to Walmart on Mansfield Road

Sportran riders will soon have the opportunity to be dropped off at Walmart on Mansfield Road. Employees and shoppers on Southern Hills Route 11 will no longer have to walk from Baird Road. On Monday, Aug. 24, Sportran will extend the route to include a stop at Walmart.

AECOM, formally known as URS Corporation, is completing a study of current and other potential routes. From the study, Sportran will form its Transit Development Plan. There will be a public meeting to discuss the plan from **3-7 p.m. on Sept. 10 at the Hunter Building at First United Methodist Church, 500 Texas St.**
