PRESS RELEASE

December 29, 2015

City sets holiday schedule for trash pick-up

In celebration of the New Year Holiday, there will be a change in solid waste collection services that will affect all Thursday and Friday customers.

Thursday and Friday customers should have received hang-tags on their garbage containers notifying them of the change in collection days.

City crews will provide collection services for Thursday and Friday customers a day early this week. All Thursday customers are being asked to **place only garbage containers on the curb by 7a.m.**

Wednesday. All Friday customers are being asked to **place only garbage containers on the curb by 7 a.m. on Thursday.**

Republic Services, the City's contractor responsible for the collection of recycling, is operating on a separate schedule from the City. Thursday recycling routes will be collected on Thursday. Friday recycling routes will be collected on Saturday.

For additional information concerning this schedule change in collection services, please call the Solid Waste Office at 318-673-6300 or visit the City of Shreveport website at www.shreveportla.gov and follow the links under Government to the Public Works calendar.
