### **SFD Firefighters Receive Active Shooter Training Aided by SPD**

The Shreveport Fire Department Firefighters are preparing for Active Shooter incidents with aid from the Shreveport Police Department through February 19 at the Shreveport Fire and Police Training Academy--6440 Greenwood Road. Firefighters will receive classroom and practical training each day from 8:00 AM until 2:00 PM.

“This training event will greatly strengthen relations between police officers and firefighters as we prepare to work together in mitigating active shooter situations,” said SFD Fire Chief Scott Wolverton. “Additionally, this training which is approved by the Caddo Parish Office of Homeland Security, International Association of Fire Chiefs and International Association of Fire Fighters, prepares firefighters psychologically and physiologically to deal with the stress of an active shooter incident”
