COMMUNICATIONS DIVISION: The Communications Division is the first and only fire communications center in the country accredited by Communications Assistance for Law Enforcement Act (CALEA) through its prestigious Public Safety Communications Accreditation Program. This accreditation assures citizens that when they call 9-1-1, communications officers are qualified and highly trained to dispatch needed services in a professional manner. These emergency communications professionals are front and center for ensuring that communication is clear and that fire and emergency medical dispatching is rapid and precise. The Communications Division is the primary answering point for 911 for Shreveport as well as other municipalities.

EMERGENCY MEDICAL SERVICES (EMS) DIVISION: The EMS Division is responsible for planning, development, implementation and clinical oversight of all Basic Life Support (BLS) and Advanced Life Support (ALS) medical care for the City as well as manages the Continuous Quality Improvement (CQI) and Performance Management (PM) section for the Department. The CQI/PM team reviews and analyzes system performance with the goal of improving patient care and reducing clinical risk. The EMS Division conducted system audit reviews on 1,443 patient reports. Skills tracking by PM recorded EMS Operations performed 228 intubations, 109 King LT Advanced airways, 9,939 IV’s and worked 317 Cardiac Arrests with 35 Cardiac Heart Saves. Currently, EMS operations has 10 paramedic ALS medic units along with two EMS Supervisors who provide continuous field oversight and respond to all cardiac arrests and major incidents. EMS/Rescue incidents accounted for more than 70% of the total fire department 9-1-1 requests with 28,092 EMS and Rescue calls dispatched. EMS provided 16,304 emergency transports. The average response time for BLS care is 6 minutes, 0 seconds, and the average ALS care response time is 6 minutes, 19 seconds. A total 4,129 man-service hours were rendered to support 113 special service events last year.

FIRE OPERATIONS DIVISION: This division responded to 41,530 emergency calls in 2015. These calls included 1,278 fires (586 structural & 687 non-structural), 190 vehicle fires and 10 multi-alarm fires requiring extra manpower and equipment to bring the fire under control. Safety is our top priority. The Department has 18 dedicated certified Incident Safety Officers with six Bulldozer Safety Officers (BSOs) on duty each shift. These safety officers serve as senior members of the “Incident Command System,” who hold a shared responsibility for the proper and safe performance of firefighters and citizens. There were 43 work related injuries recorded in 2015.

FIRE PREVENTION DIVISION: The Fire Prevention Division is divided into 3 sections: Public Education, Inspections and Investigations. The Division is responsible for the prevention of injuries to persons and losses of property that are caused by fire and other emergencies. Public Education presented 243 fire safety programs to 12,263 attendees, distributed 8,503 fire safety pamphlets, conducted 7 fire and life safety drills and installed 1,956 FREE smoke detectors in area homes. Inspections performed 13,233 existing commercial building inspections; conducted 1,170 new construction inspections at different stages of completion; performed 278 plans reviews; and reviewed and approved 76 applications for permits as required by ordinance for different activities. Additionally, 58 citizen complaints were resolved and 222 special duty assignments were performed. Investigations investigated 295 fires, of which 67 were determined to be intentionally set fires. Investigators arrested 19 citizens for fire or explosive violations. The bomb squad responded to 25 bomb threats and investigated 17 suspicious items as potential improvised explosive devices.

MAINTENANCE DIVISION: This division maintains all fire and medical equipment with skilled mechanics to ensure the Department responds to all emergency and non-emergency calls as rapidly and safely as possible. This division is also responsible for purchasing and distributing firefighter clothing, personal protective equipment and custodial supplies. Other responsibilities include auxiliary generators; fire equipment; EMS equipment; and building repairs for 22 fire stations and the Maintenance garage.

The Maintenance Division consists of the Chief of Maintenance, Assistant Chief of Maintenance, 6 Emergency Vehicle Technicians (EVTs), a Stock Clerk II, and an Administrative Assistant. More than 1,800 work orders were completed to assure front-line vehicles and reserve fleet remained operational.

The Division maintains a total of 200 vehicles including 29 Pumpers; 9 Aerials; 3 AARF vehicles; 3 Rescue vehicles; 15 Medic units; and more than 100 staff and auxiliary vehicles.

TRAINING DIVISION: The Shreveport Fire Training Division continues its role of providing support and on-going training through hands-on instruction and dynamic lectures on topics relevant to the needs of the Department. In 2015, the Training Division accomplished its training goals in the area of EMT refreshers, Special Operations, Pump Operators, as well as providing Fire Officer Training and the Art of Reading Smoke.

The Training Division with the assistance of other Department stakeholders successfully graduated 28 recruits in the 61st Basic Training Class. In addition to VFIS Driver Training, the Division utilized the state-of-the-art Driving Simulator to assist in reducing accidents and insurance rates. The Training Division is proud of the success attained through high rise drills and multiple certifications of Training Officers from L.S.U. Fire Emergency Training Institute.

The Training Division provided educational opportunities for the community and corporate partners such as Shreveport Police Department, SPAR, Southern University and Shreveport Green. The Training Division remains committed to providing competent and current training to assure the Department delivers the highest level of service to the citizens of Shreveport and to ensure that “Everyone Goes Home.”
