PRESS RELEASE

---

March 14, 2016

## **City crews working to catch up with trash schedule**

City crews will spend this week getting caught up with trash pickups that were delayed due to the bad weather and street flooding.

The City expects to be back on its regular schedule the first of next week.

Republic Services, the City's contractor responsible for the collection of recycling, operates on a separate schedule from the City. Republic has made up all delays and is currently operating on its regular schedule.

For additional information concerning collection services, please call the Solid Waste Office at 318-673-6300 or visit the City of Shreveport website at [www.shreveportla.gov](http://www.shreveportla.gov).
