FOR IMMEDIATE RELEASE

Shreveport Police seek suspect in city's latest homicide

Shreveport Police Homicide Detectives are asking for the public's assistance in identifying and locating the person or persons involved in an overnight shooting which claimed the life of a local man.

The victim, 22 year old Veandrew Hudson, was located near the intersection of Valley Ridge Road and Fairy Avenue shortly before 10:00 p.m. on March 30, 2016. Hudson was suffering what appeared to be at least two gunshot wounds to the lower body.

Following Hudson's discovery, he was transported via ambulance to University Health, where he was pronounced deceased. Authorities processing the crime scene recovered several spent shell casings along with a semi-automatic rifle which is believed to have been used in the crime. All evidence has since collected and is being processed by Crime Scene investigators. Based on information gathered at the scene, it appears there was an exchange of gunfire, in which Hudson sustained fatal injury. At current, police have limited information on what events may have led up to the tragic outcome and are appealing to the public for information regarding the shooting. Persons with information on the matter are urged to contact Crime Stoppers at (318) 673-7373 or visit Crime Stoppers via the web at www.lockemup.org
