May 10, 2016

The Department of Water & Sewerage has lifted the voluntary boil advisory for the Martin Luther King Area, from Hilry Huckaby Highway to North Market Street.

The water supplied by the distribution system to the facility was tested for microbiological quality. The satisfactory laboratory test results were obtained and the Department of Water & Sewerage, with approval from the Department of Health and Hospitals, has rescinded the boil advisory and the water has been deemed safe for consumption.

**Water Supply Representative: Curtis Davis
Title: Superintendent, Field Operations**
