Suspect sought in early morning shooting

Shreveport Police are seeking a suspect or suspects in an early morning shooting which sent a local man to the hospital.

Just 5:00 a.m. on May 11, 2016, Shreveport Police patrol officers were dispatched to a shooting call at the intersection of Hollywood Avenue at West Canal Boulevard. At officer's arrival at the scene, it was learned 24 year old Jamarcio Bryant had already been taken via private vehicle to Willis-Knighton hospital, suffering a gunshot wound to the mid-section. Due to the extent of his injuries, Bryant was transferred to University Health hospital where he is expected to survive.

Shreveport Police detectives were called to investigate the shooting, and in doing such were able to gather information suggesting Bryant was the passenger in a vehicle traveling westbound on Hollywood, when a vehicle thought to be a Chevrolet Trailblazer, traveling the opposite direction, reportedly opened fire on his vehicle. No other injuries were reported in the shooting, and at current there are no suspects in the case. Shreveport Police detectives are continuing to work at this hour to develop leads in case and are asking anyone with information about this crime to contact Crime Stoppers at (318) 673-7373 or visit their website at www.lockemup.org
