FOR IMMEDIATE RELEASE

Three injured in overnight shooting

Three victims are recovering from injuries following an apparent drive-by shooting at a west Shreveport residence Friday night.

Shortly after 11:00 p.m. on June 10, 2016, Shreveport Police patrolmen were called to a shooting at a home in the 3800 block of Murvon Street. As officers arrived at the scene, they located two adult males suffering gunshot wounds to various areas of the body. The men, identified as 57 year old Robert Palm and 28 year old Orson L. Gibson Jr., were both taken via ambulance to University Health for treatment of their injuries. A third victim, 37 year old Salinto Davis, arrived at University Health hospital via private vehicle, advising authorities that he too had been present on Murvon Street during the shooting. Davis and Gibson were treated and released, while Palm remains hospitalized; however, he is expected to survive.

Shreveport Police violent Crimes detectives were called to the scene of the crime, launching a subsequent investigation into the matter. Information and evidence gathered at the scene of the crime suggests the three men were standing in the yard of a home in the 3800 block of Murvon Street, when a dark colored sport utility vehicle drove past them and fired multiple shots. The suspect vehicle traveled east of the crime scene, last observed going towards Jewella Avenue. Crime Scene investigators located multiple spent shell casings littering the roadway. Additionally, evidence of suspected drug use was seized in the very yard the men were standing during the ordeal. At current no suspects have been identified in the shooting; ;however investigators are working around the clock to gather information on the persons responsible for this crime. Police are asking anyone with information about this crime to contact Crime Stoppers at (318) 673-7373 or visit Crime Stoppers online at: www.lockemup.org
