FOR IMMEDIATE RELEASE

Two men sought in alleged robbery and kidnapping

Suspected robbers/kidnappers

Two men are actively being sought by Shreveport Police for their alleged roles in a kidnapping and subsequent robbery of another man Thursday morning.

Just before 6:00 a.m. on June 15, 2016, Shreveport Police patrolmen responded to the 4700 block of 3L Westwood Park Drive relative to a reported armed robbery of an individual. On scene at the home, officers made contact with the victim, an adult male, who advised authorities that while visiting a Shreveport casino in the 400 block of Clyde Fant Parkway the previous evening, he was accosted by two men who forced him into a car while in the casino's parking garage. Once inside the vehicle, the suspects reportedly robbed the man of his casino winnings, physically assaulted him, and threw him out of the vehicle after driving around various parts of town. The man, who is believed to reside out of state, was not seriously injured.

Investigators assigned to the case have obtained still surveillance images of the alleged suspects involved in the caper and are hopeful the release of the images will help lead to the identity and ultimate apprehension of those responsible. There was no vehicle description readily available. Persons with any information about this crime are urged to contact Crime Stoppers at (318) 673-7373 or visit Crime Stoppers online at www.lockemup.org. Crimestoppers is offering a reward for information leading to the arrest of these suspects.
