## **Double shooting leaves man deceased; suspect jailed**

Suspect: Jerry Jackson

A morning shooting in north Shreveport has claimed the life of a local man and sent another victim to the hospital with serious injuries.

Just before noon on July 20, 2016, Shreveport Police patrol officers were dispatched to the 3300 block of Bond Drive relative to a double shooting. On officer's arrival at the scene, it was learned two men had been shot; one fatally wounded. Authorities detained 49 year old Jerry Jackson on scene at the crime, after information gathered by officers suggested he was the alleged shooter. A second shooting victim, 27 year old Michael Dillard, was taken via ambulance, to University Health hospital after suffering a gunshot wound to the upper body. Dillard's injuries were considered life threatening.

Shreveport Police detectives arrived at the scene of the shooting, and immediately began an investigation to what led to the tragic series events. It is believed an on-going dispute between at least one or both victims escalated with Jackson arming himself with a weapon and firing it multiple times striking Dillard and mortally wounding 25 year old Kendrick Brown. It was learned that Brown was the step-son of Jackson. Investigators recovered the weapon allegedly used by Jackson in the commission of the crime. The weapon, along with other evidence of the crime will be submitted to the North Louisiana Crime Lab for testing. Jackson was transported from the scene of the crime and taken to Shreveport Police headquarters, where he was interviewed by detectives. Following subsequent interviews, Jackson was charged with a single count of Second Degree Murder, and a single count of Attempted Second Degree Murder. The investigation remains active.
