FOR IMMEDIATE RELEASE

Two suspects sought in homicide of local man

Suspect: Jakarris Harper

Suspect: Donterious Davenport

Shreveport Police investigators are seeking to locate two suspects named in the recent slaying of a local man.

Back on July 20, 2016, Shreveport Police patrol officers were called to the 2900 block of Curtis Lane regarding a male victim who was discovered deceased along the roadway. Upon officer's arrival, it was learned the victim, 23 year old Ricardo Anderson had been shot multiple times. It is believed the suspects involved in the shooting fled the scene immediately afterwards, driving off a dark colored sedan.

Since the launch of the investigation, detectives have worked tirelessly in efforts to identify those persons believed responsible for the murder. A result of those efforts have led to arrest warrants being procured for two men, who based on evidence and information gathered, have been linked to the crime. Jakarris Harper 23, and Donterious Davenport, 18, of Shreveport, are both wanted on a single count each of Second Degree Murder. Bond for each man has been set at half a million dollars each. Persons with any information regarding the whereabouts of either of these men are urged to call Crime Stoppers at (318) 673-7373 or visit their website at www.lockemup.org.
