FOR IMMEDIATE RELEASE

Police seek to locate vehicle of interest in homicide investigation

This vehicle similar to one involved in the crime

Shreveport Police detectives are seeking to locate a vehicle they believe may have possible involvement in the murder of a Shreveport man earlier this month.

Just after 4:00 a.m. on July 14, 2016, Shreveport Police patrol officers were dispatched to the 1100 block of Airport Drive relative to a shooting death of 23 year old Khelif Hicks and the injuring of another man, 23 year old Jeno Crawford. Since the investigation began, investigators have been working tirelessly to gather information on the homicide.

Authorities have reason to suspect a two door, yellow, Jeep Wrangler may be somehow connected to the investigation. The vehicle was spotted leaving the area near the crime scene at a high rate of speed. At this point, authorities have not been able to identify the driver of the vehicle; however efforts to locate the vehicle and it's owner remain underway. Persons who may have any information on this crime are urged to contact Crime Stoppers at (318) 673-7373 or visit their website at www.lockemup.org
