Suspects sought in attempted robbery

Shreveport Police are seeking to identify and apprehend two suspects who allegedly attempted to rob a man at a west Shreveport car wash last week.

On July 21, 2016, shortly after 2:00 a.m., Shreveport Police patrol officers responded to the Oasis car wash located in the 3400 block of West 70th Street relative to an attempted armed robbery of an individual. The victim advised authorities that while washing his car at the self-service car wash, he was accosted by two men, armed with guns. It was further alleged the men ordered the man to produce valuables, while being held at gunpoint.

During the ordeal, the victim was able to ward off the suspects by spraying water at them with a high pressure wand. The masked suspects fled the scene of crime on foot without making off with any valuables. Both suspects were described as black males, one who stood approximately 6 feet and weighed between 180-220 pounds, while the other suspect stood approximately five feet eight inches tall and weighed approximately 165 pounds. Portions of the incident were captured on surveillance video from the victim's vehicle. Authorities are still searching for those persons responsible for the crime and asking anyone with information on the pair of would-be thieves to contact Crime Stoppers at (318) 673-7373 or visit their website at www.lockemup.org
