FOR IMMEDIATE RELEASE

Investigators seek leads in ongoing murder investigation

Homicide victim: William Hines

An ongoing investigation into the death of an elderly Shreveport man last month remains active as authorities appeal to the public for new leads.

Back on June 19, 2016, Shreveport Police patrol officers were dispatched to a home located in the 2400 block of Parham Drive relative to a deceased person. As officers arrived at the residence, contact was made with family members of 81 year old William Hines, who was located deceased inside his residence. Hine's death, which resulted from stab wounds to the body, was ruled a homicide by officials from the Caddo Parish Coroner's Office.

Investigators with the Shreveport Police Department's Violent Crimes Unit have been investigating the matter since learning of the death, and are continuing their efforts to gather information and evidence into what led to, and the identity of the person or persons responsible for the crime. Authorities are hopeful their continued efforts and information from the community will lead to the arrest of those responsible. Persons with any information about this crime are urged to contact Crime Stoppers at (318) 673-7373 or visit their site at www.lockemup.org.
