Armed bandit identified in dollar store robbery

Suspect: Jeremy Hill

Police detectives have unmasked the identity of an armed bandit who struck a local discount store earlier this month.

Back on July 10, 2016, Shreveport Police patrol officers responded to a reported armed robbery at the Dollar General in the 2800 block of Jewella Avenue. Upon arrival there, patrolmen contacted a witness who told them a male suspect burst into the store brandishing a black semi-automatic handgun and demanded money from the clerk at gunpoint. After receiving an undisclosed amount of cash, the suspect fled the scene of the crime on foot. No one was injured during the robbery.

Since the launch of the investigation, authorities have gathered information linking 30 year old Jeremy Hill of Shreveport to the crime. Hill was described as a thin build black male, with his hair braided in a ponytail, wearing a black t-shirt, dark jeans, with the pants leg tucked into his socks and a white bandana covering a portion of his face. An arrest warrant charging Hill with a single count of Armed Robbery was procured by authorities assigned to the case. Anyone who has any information regarding the whereabouts of Jeremy Hill is urged to call Shreveport-Caddo Parish Crime Stoppers at 318-673-7373 or visit their website at www.lockemup.org.
