FOR IMMEDIATE RELEASE

Authorities seek suspect in shots fired incident

A Shreveport woman escapes injury after her vehicle came under gunfire in west Shreveport Sunday morning. On July 31, 2016 just before 1:00 a.m., Shreveport Police patrol responded to a "shots fired" call in the 2600 block of Midway Avenue. On arrival there, officers contacted victim Chelcia Hamilton who advised she was driving in the 2600 block of Midway Avenue when her vehicle was struck twice by gunfire. It appears as if a projectile may have penetrated Hamilton's vehicle, causing it to lose power.

Hamilton and another adult passenger were not injured during the ordeal. It is suggested a black four door sedan, possibly a Cadillac, occupied by several male suspects, fired the shots which struck Hamilton's vehicle. Investigators recovered evidence of the shooting and are processing the evidence in the matter. Authorities are urging anyone with information about this crime to contact Crime Stoppers at (318) 673-7373 or visit their website at www.lockemup.org. The investigation into the shooting remains active.
