## **Suspect jailed in afternoon shooting**

Suspect: Antonio White

A Shreveport man has been taken into police custody following a shooting which sent another man to the hospital Thursday afternoon.

Just after 2:30 p.m. on August 4, 2016, Shreveport Police patrol officers were called to the intersection of Wallace Avenue at Damaka Drive relative to a man who had been shot there. As officers arrived at the scene, it was learned a dispute between two males over a vehicle, led to one man allegedly pulling out a gun and shooting the other.

Shreveport Police investigators received notice that the victim, 25 year old Trenton Williams arrived via private auto at Willis-Knighton hospital's south location, suffering a gunshot wound to the leg. William's injuries are reported to be non-life-threatening. Authorities learned the suspect in the case, 25 year old Antonio White, was located at a home in the 7900 block of Trannie Lane in west Shreveport. Police took White into custody without incident and later transported him to police headquarters where he was interviewed by detectives. Following subsequent interviews, White was booked into the Shreveport City Jail on charges of Aggravated Second Degree Battery, Felon in Possession of a Firearm, and two unrelated traffic warrants.
