FOR IMMEDIATE RELEASE

Suspect sought in shooting

Shreveport Police investigators are seeking answers to an overnight shooting in Shreveport that sent one man to the hospital.

Just after 9:00 p.m. on August 17, 2016, patrol officers responded to a home in the 3300 block of New Moon Drive. Patrol officers located 25 year old Cody Rigdon suffering from a gunshot wound to the abdomen. Shreveport Fire Department personnel then transported the victim to University Health for treatment of non life-threatening injuries.

Detectives began an investigation into the matter and learned the victim was sitting in the residence when a unknown white male with short hair came in yelling and shot him. Investigators are following up on leads and attempting to establish a clear motive for the crime. At this time authorities are asking anyone with information to call into Crime Stoppers at (318) 673-7373 or visit their website at www.lockemup.org.
