## **Local man recovering from early morning shooting**

A Shreveport man was shot in the leg early Thursday morning inside a Shreveport residence. On August 18, 2016 just before 2:00 a.m., Shreveport Police patrol responded to a "person shot " call in the 300 block of West 75th Street. Upon arrival officers contacted the 27 year old victim; Clydie Armer, who advised he was asleep when he heard what sounded like someone running out the back door. During this time the victim heard two gunshots and was struck in the thigh. The Shreveport Fire Department transported Armer to University Health where he is expected to make a full recovery.

Investigators responded to the scene and began an immediate inquiry into the incident. Authorities are urging anyone with information about this crime to contact Crime Stoppers at (318) 673-7373 or visit their website at [www.lockemup.org](http://www.lockemup.org).
