FOR IMMEDIATE RELEASE

Couple sought in use of stolen credit card

Shreveport Police investigators need your help to locate a pair of suspects who authorities have linked to the use of a stolen credit card earlier this month.

Back on August 15, 2016, a man and women were captured on surveillance video using a credit card which had been reported stolen by it's owner. The pair racked up over a thousand dollars in charges while shopping at area businesses such as Wal-Mart and Game Stop locations.

The woman in the video is seen wearing a black shirt with blue athletic pants, while her male counterpart is wearing a dark shirt with a thin mustache and beard. Authorities are hopeful the release of surveillance video will aid in their apprehension of the bandits, who remain outstanding at this hour. https://youtu.be/jCxIR_ZB7Qg Persons with any information about the identity of the suspects or their whereabouts are asked to contact Crime Stoppers at (318) 673-7373 or visit their website at www.lockemup.org. A reward is offered in the case.
