## **Suspect jailed in morning shooting**

Suspect: Charles Lindsey

A Shreveport man sits behind bars Friday afternoon in his alleged shooting of a fellow motorist following a road rage incident.

Just before 8:30 a.m. on November 4, 2016, Shreveport Police patrol officers were called to the Wal-Mart Super Center located in the 9500 block of Mansfield Road relative to a man who had been shot while on the store's parking lot. Upon officer's arrival there, contact was made with the victim, 33 year old Willie Hill Jr of Shreveport, who was suffering at least two gunshots to the upper body. Officers also contacted 58 year old Charles Lindsey, the man accused of shooting Hill.

Based on preliminary information gathered while on scene, it is suspected a road rage incident between Hill and Lindsey occurred along a stretch of Mansfield Road, just prior to the ordeal ending on the store's parking lot. It is alleged Lindsey followed Hill's vehicle into the parking lot and as Hill exited his vehicle and walked towards the store, Lindsey pulled alongside Hill and pointed a gun at him. At the height of the incident, Lindsey and Hill engaged in a fistic encounter, ending with Lindsey shooting Hill multiple times with a handgun. Hill who suffered what has been described as non life-threatening injuries, was taken via ambulance to University Health. Lindsey was taken into police custody and transported to Shreveport Police headquarters, where he was interviewed by detectives. Following subsequent interviews, Lindsey, of the 2600 block of Hoyte Drive in Shreveport, was booked into the Shreveport city Jail, charged with a single count of Aggravated Battery.
