FOR IMMEDIATE RELEASE

Suspected burglar captured on camera

Shreveport Police are seeking to identify and arrest a man responsible for multiple property crimes in Shreveport's Spring Lake and University Terrace subdivisions.

For the past few weeks, Shreveport Police Property Crimes detectives have been working tirelessly to identify and capture a man who they believe is responsible for a number of home break-ins and the thefts across southeast Shreveport. Authorities, in their continuing efforts, have obtained surveillance video of the man, who is seen stealing items from homes in and around Spring Lake and University Terrace Subdivisions.

Police are hopeful the release of surveillance video will aid in the discovering the identity of the suspect as well as lead to his apprehension. The suspect appears to have a thick beard and wears a baseball cap. He is also seen wearing Adidas brand shoes. Persons with any information about these or other crimes are urged to contact Crimestoppers at (318) 673-7373 or visit their website at www.lockemup.org.
