## **Double murder suspect taken into police custody**

Shreveport Police have arrested the man accused of gunning down two Shreveport residents Saturday evening in a double homicide investigation.

Just before 12:00 p.m. on November 20, 2016, Shreveport Police patrol officers were called to a home located in the 2700 block of Dr. Martin Luther King Jr. Drive, after receiving information that 25 year old Arthur Anderson was possibly at the residence. Anderson was being sought in connection to the double murder of a local man and woman, who were gunned down the previous night while in the 4000 block of Crosby Street. Authorities have reason to suspect Anderson and the female were at one point, recently romantically involved.

As patrolmen approached the home, a man emerged from the residence, thought to be Anderson. Upon further investigation, it was determined that the man was indeed wanted suspect, Arthur Anderson. Anderson was quickly taken into police custody without incident and transported to Shreveport Police headquarters for interviews regarding his alleged involvement in the crime. Detectives remain in the process of conducting additional investigation into the arrest of Anderson, including a warranted search the residence where Anderson was taken into custody. Following subsequent interviews, Anderson was transported and booked into the Shreveport City Jail on the outstanding warrant charging him with two counts of Second degree murder. Bond in the matter has been set at \$750,000.00.
