FOR IMMEDIATE RELEASE

Suspect sought in robbery of service station

Unidentified Robbery Suspect

Shreveport Police investigators are seeking to identify and apprehend a suspect responsible for a hold-up of a west Shreveport service station early Sunday morning.

Just after 10:00 a.m. on December 4, 2016, Shreveport Police patrol officers were called to the Exxon gas station in the 9000 block of Mansfield Road relative to an armed robbery of the business. On scene at the store, authorities made contact with an employee who advised that a man armed with a handgun, entered the business and demanded the clerk hand over the cash drawer from the register.

The man was described by witnesses as a male, dressed in a dark hooded sweatshirt, blue jeans, wearing a white bandana covering a portion of his face. After stealing the cash from the store, the suspect fled the business and was seen getting into what is believed to be a black Chevrolet Impala sedan. Still images of the robbery suspect were obtained from the store's surveillance system and are being distributed in hopes of identifying the suspect responsible for the crime. No persons were injured during the ordeal. Police are asking anyone with information about the crime to contact Crimestoppers at (318) 673-7373 or visit their website at www.lockemup.org
