FOR IMMEDIATE RELEASE

Police investigate fatal crash

Authorities are continuing to investigate a crash that claimed the life of a local motorist early Thursday morning along a portion of Mansfield Road.

On Thursday December 1, 2016, just before 7:00 a.m., members of the Shreveport Police Department's Patrol Division responded to a two vehicle crash that occurred at the intersection of Mansfield Road at McCutchen Avenue. Upon officer's arrival at the crash, it was learned the adult female driver of a 2009 Cadillac SRX, died on scene as a result of injuries sustained after her vehicle was broadsided by another vehicle just beyond the intersection of the roadway.

Information and evidence recovered at the scene of the accident suggests the deceased, 76 year old Lillie Beard of Shreveport, was traveling east bound on McCutchen Avenue, when she pulled onto Mansfield Road, into the path of a south bound, 2008 Jeep Wrangler driven by 27 year old Kalyn Carter also of Shreveport, and a small child accompanying her, was not seriously injured. Carter was taken to a local hospital to undergo toxicology testing as mandated by state law. While the accident remains under investigation, impairment is not suspected as a causative factor in the crash.
