Local Community Service Agency Partners with Shreveport Fire Department

The Caddo Council on Aging is partnering with the Shreveport Fire Department to bring community awareness for the need to have working smoke alarms in every home this winter season, especially the home of our seniors. CCOA Executive Director Mary Alice Rountree will make a special presentation to SFD Fire Chief Scott Wolverton supporting this effort.

"We are grateful to have the support of the Caddo Council on Aging. We only hope that this partnership will encourage other organizations to adopt other community needs and be willing to lead in improving the quality of life in Shreveport," said Wolverton.
