Boil Advisory Lifted in Two Areas of the City

The Department of Water & Sewerage has lifted the voluntary boil advisory for 401 West 70th near Linwood Public Charter School and blocks 2900-3200 on Greenwood Road near Fair Park High School and Just 4 Kids Day Care Center.

The water supplied by the distribution system to the facility was tested for microbiological quality. The satisfactory laboratory test results were obtained and the Department of Water & Sewerage, with approval from the Department of Health and Hospitals, has rescinded the boil advisory and the water has been deemed safe for consumption.
