## **Shreveport Police investigate death at Shreveport City Jail**

Shreveport Police detectives are investigating the death of a local man housed at the Shreveport City Jail.

Just before 1:00 a.m. on December 16, 2016, Shreveport Fire Department paramedics responded to the jail regarding an inmate who was located by jail personnel unconscious inside a cell. The man, identified as 58 year old Isaac Greear of Bossier City, Louisiana was subsequently transported to University Health by the Shreveport Fire Department where he was later pronounced deceased.

Preliminary investigation revealed Greear was booked into the Shreveport City Jail back on December 14, 2016, for outstanding criminal warrants issued through the Shreveport City Marshal's Office. Greear was the only inmate in the cell at the time he was discovered and the inquiry into his death is ongoing.
