## **Shreveport man jailed in armed robbery**

Shreveport Police detectives have arrested a suspect in connection with the ongoing investigation into an armed robbery last month.

Back on December 31, 2016, Shreveport Police were called to a reported armed robbery in which a vehicle was taken in the 2500 block of Kings Highway. It was learned the victim was accosted by two suspects, one of which was armed with a gun. During the ordeal the victim was robbed of their vehicle, but otherwise not harmed.

Since the investigation began, authorities have gathered information leading them to arrest 17 year old Sir'Elderick Hays of the 2300 block of Illinois Street in Shreveport, for his alleged role in the crime. Hays was one of two suspects arrested in the case, to include a 16 year old teen, previously charged. Following the arrest of Hays this afternoon, he was booked into the Shreveport City Jail on charges of Armed Robbery.
