II. BACKGROUND

The Stewart B. McKinney Homeless Assistance Act (Publ. L. 100-77, approved July 22, 1987), as amended, authorized the Emergency Shelter Grants Program (ESGP) under the U. S. Department of Housing and Urban Development (HUD).

III. DESIGN AND PURPOSE

The Emergency Shelter Grants Program (ESGP) is designed to be the first step in a continuum of assistance to enable homeless individuals and families to move toward independent living as well as to prevent homelessness.

The purpose of the program is to:
- help improve the quality of existing emergency shelters for the homeless,
- help make available additional emergency shelters,
- help meet the costs of operating emergency shelters and providing certain essential social services to homeless individuals, so that homeless persons have access not only to safe and sanitary shelter, but also to the supportive services and other kinds of assistance they need to improve their situations.

The purpose is also intended to:
- restrict the increase of homelessness through the funding of preventive programs and activities.

IV. ELIGIBLE APPLICANTS

Only Private non-profit organizations who have been providing homeless services for at least one year are qualified for funding; must have the capacity to provide matching funds (in-kind contributions) equal to the amount awarded; must involve, to the minimum extent practicable, homeless individuals and families in ESG activities; and, must be able to provide written certification that they are part of a Homeless Management Information System (HMIS).

V. ELIGIBLE ACTIVITIES

Eligible activities under the Emergency Shelter Grants Program are set forth in 42 U.S.C. Part 11374 (Title IVB of the Stewart B. McKinney Homeless Assistance Act) and HUD Program regulations at 24 CFR Part 576.21 (a)[61 Federal Register page 51549; Oct. 02, 1996]. Copies of ESGP statutory provisions and rules are included in this application packet. Only those activities specifically authorized under statutory provisions and Program regulations are eligible for use of ESGP funds. Other uses are ineligible.

Section Three of the Emergency Shelter Grants (ESG) Program Desk Guide covers “Eligible
Activities Under the ESG Program”. The Guide can be found at:

As described under the Program law and regulations, ESGP grant amounts may be used for one or of the following activities relating to emergency shelter for the homeless:

A. Renovation, major rehabilitation, or conversion of buildings for use as emergency shelters for the homeless;

B. Provision of essential services to the homeless. Essential services include services concerned with employment, health, drug abuse, and education and may include (but are not limited to):
   • assistance in obtaining permanent housing,
   • medical and psychological counseling and supervision,
   • employment counseling,
   • nutritional counseling,
   • substance abuse treatment and counseling,
   • help in obtaining other Federal, State and local assistance,
   • other services such as child care, transportation, job placement and job training; and
   • staff salaries necessary to provide the above services.

Grant amounts may be used to provide an essential service only if:

1. The service is
   a. a new service, or
   b. a quantifiable increase in the level of a service above that which the recipient provided with local funds during the 12 calendar months immediately before the receipt of initial grant amounts; and

2. Not more than 30 percent of ESG Program funding is used for essential service activities;

C. Payment for shelter maintenance, operation (including shelter administration), rent, repairs, security, fuel, equipment, insurance, utilities, food and furnishings. An amount, not to exceed ten (10) percent of ESG funds, may be spent on staff costs of operations related to emergency shelter;

D. Developing and implementing homeless prevention activities. Homeless prevention activities are those designed to prevent the incidence of homelessness, including (but not limited to):
   • short-term subsidies to defray rent and utility arrearage for families that have received eviction or utility termination notices;
   • security deposits or first month's rent to permit a homeless family to move into its own dwelling;
   • mediation programs for landlord-tenant disputes;
   • legal services programs for the representation of indigent tenants in eviction proceedings;
   • payments to prevent foreclosure on a home and other innovative programs; and
   • activities designed to prevent the incidence of homelessness
If grant funds for homeless prevention activities are to be used to assist families that have received eviction notices or notices of termination of utility services, the following conditions must be met:

- The inability of the family to make the required payments must be the result of a sudden reduction in income;
- The assistance must be necessary to avoid eviction of the family or termination of services to the family;
- There must be a reasonable prospect that the family will be able to resume payments within a reasonable period of time (this "reasonable period of time" means a time period determined reasonable by the ESGP grantee and applied consistently to all recipients); and
- The assistance must not supplant funding for preexisting homeless prevention activities from any other sources.

Note: the references to "family" in the above conditions are interpreted by HUD to include one person families.

If grant funds for homeless prevention activities are used to assist families to pay security deposits, first month’s rent, or first month’s utilities, for those families with children less than 6 years of age the units selected must be free from lead-based paint contamination.

Any proposal containing homeless prevention activities must describe the type(s) of activities to be undertaken and a specific implementation plan. A proposal may include homeless prevention activities only as an adjunct to other eligible activities (rehabilitation, operations, essential services). For example, a city or parish applying for ESGP funds on behalf of several nonprofit organizations serving the homeless in its jurisdiction may include homeless prevention activities in the application either as a part of a proposed project or as a separate project within the proposal.

VI. LIMITATIONS ON THE USE OF ASSISTANCE

Limitations—Primarily Religious Organizations

ESGP assistance may be provided to a primarily religious organization if the organization agrees to provide eligible activities in a manner that is free from religious influences and in accordance with principles stated at 24 CFR § 576.23 (a)(1). See 576—Emergency Shelter Grants Program: Stewart B. McKinney Homeless Assistance Act, Attachment E. This is recently revised language for 576.23 Faith-based activities which was a response to the President’s Faith-based Initiative. (For complete information see the Tuesday, September 30, 2003 Federal Register Notice - “24 CFR Part 92 et al. Participation in HUD Programs by Faith-Based Organizations; Providing for Equal Treatment of all HUD Program Participants; Final Rule.”

VII. LOCAL MATCH REQUIREMENT

Recipients shall be required to secure matching funds in an amount at least equal to its ESGP
funding amounts unless exempted for reasons of severe incapacity to provide matching funds based on information submitted in grant applications. Matching funds must derive from sources other than the Program and be provided after the date of the grant award to the recipient.

In calculating the amount of matching funds, the following may be included: "hard cash" amounts dedicated for homeless assistance activities; the value of any donated material or building; the value of any lease on a building; any salary paid to staff of the recipient local government or nonprofit provider in carrying out the emergency shelter program; and the time and services contributed by volunteers to carry out the emergency shelter program, determined at the rate of $5 per hour. The recipient will determine the value of any donated material or building, or any lease, using any method reasonably calculated to establish a fair market value.

VIII. HOMLESS MANAGEMENT INFORMATION SYSTEM (HMIS)

Congress has directed HUD to improve the collection of data on the extent of homelessness locally and nationally. Communities must collect an array of data including an unduplicated count of homeless persons; analyze their patterns of the use of McKinney-Vento and other assistance, including information on how they enter and exit the homelessness assistance system and assess the effectiveness of that assistance. The Emergency Shelter Grant Program is included in this mandate. HUD, through a Federal Register Notice, has provided the data and technical standards for HMIS. All areas of the State should have access to an HMIS through the local Continuum of Care. Therefore, all proposed projects/organizations must provide written certification of their participation in an existing HMIS.

IX. REQUIRED USE OF BUILDINGS AS A SHELTER

If grant amounts are used for major rehabilitation or conversion of a building, where rehabilitation or conversion involves costs in excess of 75% of the value of the building prior to rehabilitation or conversion, the building must be maintained as a shelter for the homeless for not less than a 10-year period.

When ESGP assisted renovation or rehabilitation of a building involves costs of 75% or less of the value of the building before rehabilitation, the building must be maintained as a shelter for the homeless for not less than a three-year period.

Any building for which emergency shelter grant amounts are used for essential services or operational costs as described in 24 CFR § 576.21 (a)(2),(3) must be maintained as a shelter for the homeless for the period during which such assistance is provided. A substitute site or shelter may be used during this period, as long as the same general population is served.

X. REPORTING REQUIREMENTS

Each recipient will be required to submit a monthly request for payment/financial status report to the City, along with a monthly performance report to ensure compliance with the requirements of the agreement and proposed goals and objectives of the Project. All monthly reports are due by the 20th of each calendar month.
XI. PERFORMANCE MEASUREMENT

Performance measures are now required for all Federal Programs. The March 7, 2006 Federal Register Notice, Volume 71, Number 44, outlined the new performance measurement system to be used by HUD-funded programs. HUD will be able to roll up data on a national level as all grantees will be using the performance measures which will require performance under one of three objects with outcomes in one of three areas as follows:

♦ Objectives: statutory purpose
♦ Creating Suitable Living Environments
♦ Providing Decent Affordable Housing
♦ Creating Economic Opportunities
♦ Outcomes: change or result you are seeking
♦ Availability/Accessibility
♦ Affordability
♦ Sustainability

For projects providing emergency shelter or transitional housing to the homeless, the objective will be creating a suitable living environment with the outcome being the availability or accessibility of shelter/housing. The number of clients provided shelter will be reported along with other demographic information. Service only projects will also have the objective of creating a suitable living environment through the availability of services offered. Reporting will be for the number of clients for which only services are provided (non-residential) and will include the racial/ethnic information for these clients. For prevention only projects, the objective will fall in the area of decent housing and the outcome will be to make housing more affordable through the prevention activities provided. The number of clients served will be reported along with racial/ethnic information for these clients. Prevention will be reported both by households served and by the number of persons in those households. The households served will be divided out in reporting the number of households who receive financial assistance and those who receive legal assistance.

XII. SUBMISSION INFORMATION

Application packets are available from 8:30 a.m. to 5:00 p.m., Monday – Friday beginning May 19, 2010 at the Department of Community Development, Bureau of Administration, 1237 Murphy Street, Room 314, Shreveport, LA 71101. The deadline for submission of all proposals is June 9, 2010 at 5:00 P.M. Please submit an original and three copies. The City of Shreveport reserves the right to reject any proposals that may not include all required documents or miss the submission deadline.

XIII. SELECTION PROCESS

Proposals accepted for review will be rated on a comparative basis based on information provided in grant applications. Award of grant amounts between competing applicants will be based on consideration of the following selection criteria:
• Nature and extent of unmet need for shelter and related homeless assistance in the applicants’ jurisdiction as demonstrated by data supplied by applicant including Sources of information (studies done, inventory of existing shelters and related Resources, their use and capacity, estimates by applicant and homeless providers of unmet needs for shelter and supportive services, reliable surrogates for homeless need including local unemployment data, welfare statistics, unique local circumstances)

........................................................................................................................................................................40

• The extent to which proposed activities will address needs for shelter and assistance and/or complete the development of a comprehensive system of services which will provide a continuum of care to assist homeless persons to achieve independent living

........................................................................................................................................................................30

• The ability of the applicant to carry out the proposed activities effectively and promptly .................................................15

• Coordination of the proposed project(s) with available community resources, so as to be able to match the needs of homeless persons with appropriate supportive services and assistance .................................................................15

Elements of the above criteria include:
- Community organization, resource coordination, and strategic planning to develop a comprehensive system of care encompassing the need for outreach and assessment, emergency assistance, transitional housing and services, where needed, and permanent housing or permanent supportive housing to help homeless persons become more self sufficient.
- Experience of project sponsor(s) in provision of services for homeless persons or similar service activities
- Methodology and time frame to implement proposed activities
- Specificity of proposed activities and reasonableness of cost estimates
- Fiscal accountability and financial responsibility of project sponsor(s)
- Capability to provide required matching funds (when applicable)
- For previous recipients of State grant amounts, expenditure patterns will be ... reviewed to evaluate such applicant’s ability to implement and complete Program activities appropriately and on a timely basis. An applicant may be disqualified from receiving an award if evaluation of prior expenditure patterns indicates inability to properly utilize Program assistance on a timely basis.

Program policies require that termination of assistance by an ESGP assisted project to any individual or family shall be in accordance with a formal process established by the recipient that recognizes the rights of individuals affected, which may include a hearing. (Grievance procedure)

♦ If homeless prevention activities are a part of the proposed project(s), include the type(s) of activities to be undertaken and a specific implementation plan (i.e. who will provide the homeless prevention activities; what criteria will be used to determine who will receive assistance, method for determining if the homeless prevention assistance applicant meets the guidelines set forth for provision of this assistance through ESGP funding.)

3. Part I: Taxpayer Identification Number (TIN)

- Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For individuals, this is your social security number (SSN); however, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see How to get a TIN on page 3.

Note: if the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

Part II: Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. person (including a U.S. resident alien).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

U.S. person. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee.

In 3 above, if applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to withholding tax on foreign partners' share of effectively connected income.

Note: if a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

For federal tax purposes, you are considered a person if you are:

- An individual who is a citizen or resident of the United States,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States, or
- Any estate (other than a foreign estate) or trust. See Regulations sections 301.7701-6(a) and 7(6) for additional information.

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,
● The U.S. grantor or other owner of a grantor trust and not the trust, and
● The U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 26% of such payments (after December 31, 2002). This is called "backup withholding." Payments that may be subject to backup withholding include interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 4 for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (see reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above for reportable interest and dividend accounts opened after 1983 only.

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate Instructions for the Requester of Form W-9.

Also see Special rules regarding partnerships on page 1.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of $50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a $500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Name

If you are an individual, you must generally enter the name shown on your income tax return. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

Sole proprietor. Enter your individual name as shown on your income tax return on the "Name" line. You may enter your business, trade, or "doing business as (DBA)" name on the "Business name" line.

Limited liability company (LLC). If you are a single-member LLC (including a foreign LLC with a domestic owner) that is disregarded as an entity separate from its owner under Treasury regulations section 301.7701-3, enter the owner's name on the "Name" line. Enter the LLC's name on the "Business name" line. Check the appropriate box for your filing status (sole proprietor, corporation, etc.), then check the box for "Other" and enter "LLC" in the space provided.

Exempt From Backup Withholding

If you are exempt, enter your name as described above and check the appropriate box for your status, then check the "Exempt from backup withholding" box in the line following the business name, sign and date the form.
Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

Note: If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

**Exempt payees.** Backup withholding is not required on any payments made to the following payees:
1. An organization exempt from tax under section 501(a),
2. any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2),
3. The United States or any of its agencies or instrumentalities,
4. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities,
5. An international organization or any of its agencies or instrumentalities,

7. A foreign central bank of issue,
8. A dealer in securities or commodities required to register in the United States, the District of Columbia, or a possession of the United States,
9. A futures commission merchant registered with the Commodity Futures Trading Commission,
10. A real estate investment trust,
11. An entity registered at all times during the tax year under the Investment Company Act of 1940,

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box, if you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (TIN). Enter it in the social security number box. If you do not have an TIN, see How to get a TIN below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-owner LLC that is disregarded as an entity separate from its owner (see Limited Liability company (LLC) on page 2), enter your SSN (or EIN, if you have one). If the LLC is a corporation, partnership, etc., enter the entity’s EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at www.socialsecurity.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an TIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer ID Numbers under Related Topics. You can also get Forms W-7 and SS-4 from the IRS by visiting www.irs.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Writing "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.
Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if Items 1, 4, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt recipients, see Exempt From Backup Withholding on page 2.

Signature requirements. Complete the certification as indicated in 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. Other payments include payments made in the course of the requester's trade or business for rents, royalties, goods other than bills for merchandise, medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons who must file information returns with the IRS to report interest, dividends, and certain other income paid to you, mortgage interest you paid, the acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA, Archer MSA or HSA. The IRS uses the numbers for identification purposes and to help verify the accuracy of your tax return. The IRS may also provide this information to the Department of Justice for civil and criminal litigation, and to cities, states, the District of Columbia, and U.S. possessions to carry out their tax laws. We may also disclose this information to other countries under a tax treaty, to federal and state agencies to enforce federal non-tax criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism.

You must provide your TIN whether or not you are required to file a tax return. Payers must generally withhold 28% of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to a payer. Certain penalties may also apply.
