FOR IMMEDIATE RELEASE

Krewe of Gemini Parade set to roll this Saturday

The Krewe of Gemini Mardi Gras Parade is all set to roll out at 4:00 p.m. this Saturday and the Shreveport Police Department would like to take this opportunity to pass on a friendly reminder to parade-goers regarding some ground rules that are in place to ensure everyone has a fun, safe Mardi Gras experience.

Police will close Clyde Fant Parkway from Lake Street to Shreveport-Barksdale Highway beginning at 7:00 p.m. Friday night before the parade. Clyde Fant Parkway will then re-open to traffic at 7:00 a.m. on parade day so people can set up early Saturday.

The public will not be allowed to set up any kind of tent or recreational vehicle or save parking spaces on Clyde Fant Parkway or on the service road between Stoner Avenue and Shreveport Barksdale Highway before 7:00 a.m. on parade day. Stakes, flagging tape, furniture, tents, and other such items left as space markers before 7:00 a.m. Saturday will be removed by police and discarded. Violators could be ticketed, towed, or asked to leave.

Revelers planning to park in the Broadmoor area towards the end of the parade route should heed all traffic and parking signs and remember not to block residential driveways. Officers will be posted at major intersections around the parade area. It is imperative that emergency vehicles be able to drive down residential streets, so parking ordinances will be enforced. Violators could be towed at their own expense.

The parade will begin on Clyde Fant Parkway at Lake Street and run along the same route as it has in previous years: south on Clyde Fant Parkway to Shreveport-Barksdale Highway, west down Shreveport-Barksdale Highway to East Kings Highway, south on East Kings Highway to the end of the parade route on East Preston Avenue.

The parade route does include an alcohol-free family area that will be located on Clyde Fant Parkway between the railroad trestle just north of Veteran's Memorial Park and Stoner Avenue. The no alcohol rule will be enforced in the family area. Absolutely NO GLASS containers or glass bottles will be allowed anywhere along route.
