Bandit uses stolen car to steal lawn equipment

Shreveport Police investigators are seeking to identify and apprehend a man who allegedly used a stolen car to steal items from the bed of a pickup truck parked on a business parking lot in west Shreveport.

The theft of the car occurred between the overnight hours of March 12th through 13th at the victim's residence in the 200 block of East Stoner Avenue. Authorities have collected an image of the man who they believe used the stolen automobile to commit the theft of lawn equipment from the bed of a separate victim's pickup truck, and moments later drive off in the stolen maroon colored Oldsmobile.
