Pair of armed robbers sought by police

Shreveport Police detectives are busy at this hour seeking a pair of armed bandits who held up a local business in west Shreveport Tuesday morning.

Minutes after 10:00 a.m. on April 4, 2017, Shreveport Police patrol officers were called to the Werner Park grocery store relative to an armed robbery of the business. As officers arrived at the business, it was determined two suspects had made off with monies from the store after coming inside the business armed with guns.

The first suspect was described as a black male who wore a gray hooded sweatshirt, blue jeans, white latex gloves, a white bandana and armed with a semi-automatic handgun. The second suspect was described as a black male who wore a brown and white camouflage jacket, denim jeans, dark shades armed with a back revolver. According to information gathered at the scene, the suspects entered the store and demanded they be shown the safe. After forcing employees to hand over an undisclosed amount of cash, the suspects fled the store driving a silver vehicle, which was partially captured on video footage. Shreveport Police need your help to identify the men accused of the crime and are asking persons with any information about the crime to contact Crimestoppers at (318) 673-7373 or visit their website at www.lockemup.org
