Shreveport Police seek suspects in a string of business burglaries

Robbery Suspects

Shreveport Police investigators are seeking the public's assistance to identify a number of bandits believed responsible for the burglary of a number of local businesses throughout west Shreveport.

Back on April 18, 2017, Shreveport Police Property Crimes detectives were called to investigate the burglaries of the Valero convenience store, Zaxby's restaurant and Summer Grove Automotive, all located between the 9200 and 9600 block of Mansfield Road. It is believed the burglaries occurred at some point during the previous evening. Amid authorities probe of the incidents, video surveillance was obtained from the impacted businesses, revealing images of the persons suspected of the crimes. The criminals could be observed making entry into the business and removing items from within.

During the ordeal, thieves stole two vehicles, a 2012 silver Dodge, Crew Cab pickup truck, along with a 2005 burgundy Pontiac Grand Prix, bearing Louisiana license plate numbers C33642 and DV31926 respectively. Police investigators have attached images of the stolen truck and the persons suspected of taking it for the purposes of identifying those responsible for the crime. Anyone with information about these crimes are asked to contact Crimestoppers at (318) 673-7373 or visit their website at www.lockemup.org
