Police Seek Gunman in Queensborough Shooting

On Thursday June 2, just after 9:30 pm Shreveport Police Patrol Officers responded to the 3800 block of Sumner on reports of several gunshots being heard in the area and racing vehicles.

Officers arrived on scene and located a crashed white Nissan Altima in the back yard of a residence in the 3800 block of Sumner. Officers observed bullet holes and blood in the vehicle but were unable to immediately locate a victim. Moments later Frank Pearson, 20, arrived at the emergency room at Willis-Knighton North Hospital suffering from at least one possible gunshot wound to the upper arm. Pearson advised patrol officers that it was his car that police located, and that an unknown subject in a newer model vehicle, possibly silver in color, had pursued him and shot at him for unknown reasons.

Investigators are urging anyone with information about this shooting to please call Crimestoppers at 673-7373 or visit the website at www.lockemup.org
